

Vacancy Name

Division:	Stobart Aviation
Location:	Southend Airport
Shift Pattern:	4 on 4 off, day and night shifts
Salary:	up to £25,602 dependant on experience
Reporting to:	Operations Manager

Stobart Group:

Stobart Group is focused on delivering growth in its three core operating divisions: Aviation, Energy and Rail & Civils. Stobart Group also holds a portfolio of infrastructure assets and investments.

What's the role?

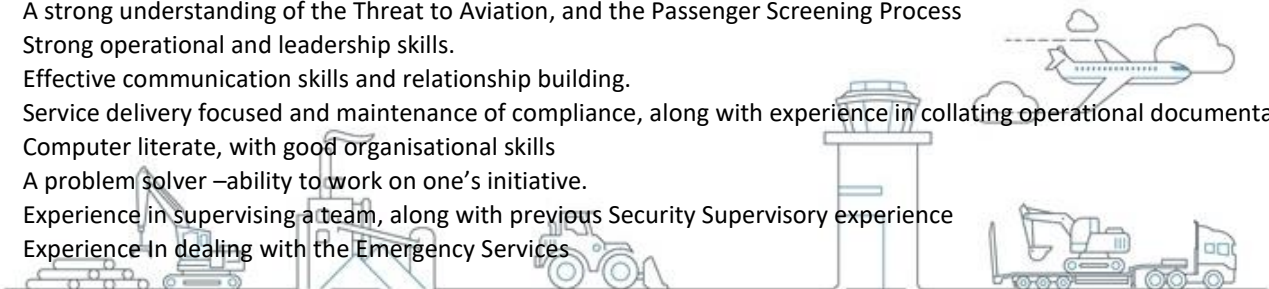

This role will support the smooth running of all Airport Operations and the Terminal building. They will monitor all aspects of the Terminal operation using a variety of systems. The role is critical to the effective flow of information and the effective implementation of contingencies in the event of an incident. To act as an oversight for the Security operation and maintain a supervisory role for all Out of Hours Security operations.

What will I be responsible for?

- Alarm response.
- CCTV monitoring inside and outside of terminal.
- Access and egress control.
- Communication – liaising with staff/security and other control authorities (such as DfT, Emergency Services) as well as local Government and transport services.
- Liaising with the Airport Management team.
- Oversight and dispatch of Mobile patrols from the Airport Control Centre.
- Oversight of the surveillance of the Critical Part of the Aerodrome
- Public Address System (announcements).
- Provide and maintain an excellent standard of customer service.
- Ensure compliance of all CAA, HSE and LSACL procedures at all times, keeping fully updated with changes to procedures or new procedures.
- Ensure all paperwork and administrative duties are completed in a timely manner and relevant information is forwarded where appropriate.
- Work cohesively as part of the team so as to maximise co-operation leading to the efficiency and effectiveness of the operation.
- Issue passes in accordance with regulatory/company requirements
- Report writing
- Carry out any other reasonable task as requested by Line Management.

Qualifications and Experience:

- GSS Level 1
- Must be able to attend and successfully pass GSS/L2 course
- A strong understanding of the Threat to Aviation, and the Passenger Screening Process
- Strong operational and leadership skills.
- Effective communication skills and relationship building.
- Service delivery focused and maintenance of compliance, along with experience in collating operational documentation
- Computer literate, with good organisational skills
- A problem solver –ability to work on one's initiative.
- Experience in supervising a team, along with previous Security Supervisory experience
- Experience in dealing with the Emergency Services

How to Apply:

All applications should be made by submitting an up to date CV and covering letter, detailing why you feel you are suited to the role, to: LSAHR@southendairport.com

Stobart Group is committed to equal opportunities for all, and we provide a fully inclusive and accessible recruitment process. Should you need any documents in a different format, or require any further support or assistance, please contact the HR Team on 01702 538626 or email LSAHR@southendairport.com

The successful applicant will be rewarded with a package including company pension scheme and uniform.

For Stobart employees: You must inform your line manager in advance if you are short-listed for an interview.
