

Experienced or Trainee Aircraft Fueller

Division:	Stobart Aviation
Location:	Southend Airport
Shift Pattern:	Full time, 40 hours per week, across 7 days, early and late shifts
Salary:	Dependant on experience
Reporting to:	Fuelling Supervisor

Stobart Group:

Stobart Group is focused on delivering growth in its three core operating divisions; Aviation, Energy and Rail & Civils. Stobart Group also holds a portfolio of infrastructure assets and investments.

What's the role?

Working alongside the Ground Services Team, you will ensure consistent delivery of high performance standards in the provision of smooth, timely and accurate processing of aircraft refuelling /servicing. You will demonstrate a hardworking, adaptable attitude, and be able to thrive on variety in the workplace. Experience in the aviation industry with specific knowledge of aircraft refuelling/servicing/airside operations is desirable, coupled with HGV Cat C (Class 2).

What will I be responsible for?

- Perform accurate and efficient aircraft refuelling operations to a variety of aircraft utilising fixed wheelbase fuel bowzers
- Actively assist the Fuelling Supervisor with required with Quality and Standards control checks/measures
- Actively assist with overseeing safe, timely and efficient tanker deliveries in/out of the fuel farm
- Ensure that Health and Safety and adherence to LSACL, Airline(s) and regulatory bodies' processes and procedures, safe working practices are followed and maintained at all times
- Ensure any refuelling problems are managed with accuracy and efficiency ensuring that the Aircraft Dispatcher/Ground Handling Supervisor/Fuelling Supervisor are kept informed
- Ensure regular preventative maintenance within the operational environment (including but not limited to removal of FOD, Fuel Servicing equipment inspections/checks/cleaning)
- Ensure that fuel bowser product levels are maintained within safety and operational requirements
- Ensure that all operational Service Level Agreements (SLAs) are met and maintained
- Actively monitor and record fuel servicing equipment serviceability and fault reporting.
- Ensure a record of any incidents/accidents involving equipment, aircraft, customers or staff are reported immediately to your Line Manager and documented accurately as per LSACL, Airline(s) & Regulatory body policies and procedures
- Ensure all paperwork and administrative duties are completed with accuracy, in a timely manner and relevant information is forwarded where appropriate
- Comply with airport procedures at all times, keeping fully updated with changes to procedures or new procedures.

Qualifications & Experience:

- Full, clean UK Driving License is essential
- HGV Cat C (Class 2) is desirable
- Experience in aviation is desirable
- Ability to successfully complete a colour vision test is essential
- Minimum Grade C in GCSE Mathematics

How to Apply:

All applications should be made by submitting an up to date CV and covering letter, providing details of relevant skills, experience, and qualifications to: LSAHR@southendairport.com

Stobart Group is committed to equal opportunities for all, and we provide a fully inclusive and accessible recruitment process. Should you need any documents in a different format, or require any further support or assistance, please contact the HR Team on 01702 538626 or email LSAHR@southendairport.com

The successful applicant will be rewarded with a package including company pension scheme and uniform.
