You will be providing technical assistance on a wide variety of machinery and equipment vital to the operation of the airport.

What will I be responsible for?

- Carrying out routine maintenance to the fleet
- Replace vehicle tyres when required
- Carrying out vehicle servicing & pre-MOT checks
- Diagnosing and repairing electrical, hydraulic and mechanical faults
- Reporting faults accurately
- Recording all aspects of work carried out
- Completing work in a timely manner and to the highest ability
- Follow all current H+S procedures
- Follow all airport legislative requirements
- Liaise with external contractors and suppliers
- Carry out any other reasonable task as requested by Line Management

Qualifications and Experience:

- Must hold a level 2 qualification in motor vehicle maintenance/repair (such as City & Guilds 2 in Motor Vehicle repairs) or allied mechanical discipline
- Full, clean UK driving license
- Five years proven experience as a motor vehicle technician/mechanic
- Show good attention to detail, with an ability to communicate effectively
- Demonstrable ability to work on own initiative

How to Apply:

All applications should be made by submitting an up to date CV with covering letter detailing why you feel you are best suited to the role, to: LSAHR@southendairport.com

Stobart Group is committed to equal opportunities for all, and we provide a fully inclusive and accessible recruitment process. Should you need any documents in a different format, or require any further support or assistance, please contact the HR Team on 01702 538626 or email LSAHR@southendairport.com

The successful applicant will be rewarded with a package including company pension scheme and uniform.

For Stobart employees: You must inform your line manager in advance if you are short-listed for an interview.
