Stobart Group is focused on delivering growth in its three core operating divisions: Aviation, Energy, and Rail & Civils. Stobart Group also holds a portfolio of infrastructure assets and investments.

What's the role?

You will be working within a warehouse cargo operational environment, providing the smooth and timely processing and screening of cargo packages.

You should be able to demonstrate a hard-working, adaptable attitude with excellent communication skills and a proactive approach to all work requirements with a team centred ethos.

Cargo Security Operatives will be required to work within a busy fast-paced warehouse environment, screening aviation outbound packages for prohibited articles, working to strict timeframes.

What will I be responsible for?

- Carrying out the security screening of parcels and packages in accordance with the latest CAA regulations
- Work cohesively as part of the team so as to maximise co-operation leading to the efficiency and effectiveness of the operation.
- Liaise and work together with other departments to ensure our customers receive a high standard of service.
- Ensure a record of any incidents/accidents involving suspicious packages, staff, equipment & aircraft is kept and reported immediately to your line manager.
- Ensure all paperwork and administrative duties are completed in a timely manner and relevant information is forwarded where appropriate.
- Ensure compliance of all CAA, HSE and LSACL procedures at all times, keeping fully updated with changes to procedures or new procedures.
- Undertake other activities to support the needs of the business as required

Qualifications and Experience:

- Ability to successfully complete a colour visual test is essential
- Experience of working in an airport environment is an advantage
- You must have resided in the UK for the last 3 years
- Must have a clear DBS record
- Must be able to obtain a Counter Terrorism Check (CTC)
- Full 5-year referencing and background checks required
