Confident, and with a professional approach at all times that enables effective resolution of conflicts, and the delivery of relevant solutions. Ability to consistently follow standard processes and procedures in order to maintain an efficient and safe working environment.

What will I be responsible for?

- Carry out security screening of passengers and baggage in accordance with the latest CAA regulations
- Security duties including but not limited to Patrols, Access Control & I.D. Checks.
- Provide and maintain an excellent standard of customer service
- Work cohesively as part of the team so as to maximise co-operation, leading to the efficiency and effectiveness of the operation
- Liaise and work together with other departments to ensure our customers receive a high standard of service
- Deal with customer complaints/problems, at source where possible, keeping line management informed
- Ensure a record of any incidents/accidents involving customers, staff, equipment & aircraft are reported immediately to your line manager
- Ensure all paperwork and administrative duties are completed in a timely manner and relevant information is forwarded where appropriate
- Ensure compliance of all CAA, HSE and LSACL procedures at all times, keeping fully updated with changes to procedures or new procedures
- Undertake other activities to support the needs of the business as required

Qualifications and Experience:

- Ability to successfully complete a colour visual test is essential
- Experience in security is an advantage
- A full, clean, UK Driving Licence is essential
- Experience in working with the public is an advantage
- Experience of working in an airport environment is an advantage
- Must have resided in the UK for the last 3 years
